Finance

# General

- Tl;dr
  - Payment Terms: Net 60
  - Minimum Payment: \$200
  - Currency: USD
  - Payment method: Wire-transfer
- Payments will be processed based on NET 60 (for example, January will be paid in April).
- The minimum amount for payment is \$200 (net) based on the agreed revenue share. If the amount payable is less than \$200, Overwolf will roll such amount over to the subsequent payment period until the total amount payable reaches a minimum of \$200.
- Payments are processed via bank wire. (make sure you completed the [payment details form](#))
- Payments can only be transferred in USD

# Reporting

- On your partner's dashboard, you can find daily data of your app performance and revenue.
- The revenue numbers in the dashboard are not final. Final numbers for payment will be sent separately via email after reconciling all numbers and campaigns.
- Revenue from video ads is updated daily while revenue from Display ads is updated on a monthly basis.
- For any reporting questions, please contact your developer relations manager.
